

**68** a special open day was held on 9th December 1990. Some of our members were able to attend. At this event the Museum Society aimed to show their achievements to date and outline their future plans. We hope a suitable site will be found by December 1991 and that the Dover Transport Museum Society will find its future place in Dover as a continuing tourist attraction and educational resource,

For further information and details of forthcoming events please contact the Museum Director and Secretary:

COLIN SMITH, 33 Alfred Road, DOVER CT16 2AD Telephone (0304) 204612 who will also be very pleased to receive offers of help.
