Situated at the United Kingdom's closest point to Continental Europe, the Port of Dover is a vital link for tourism and trade.

Over 16 million passengers, two-and-a-half million cars and 125, 000 coaches passed through the port on its ferry services to Calais and Dunkirk in 2003. Added to that, over 1.7 million freight vehicles used the port's freight services to Calais and Dunkirk carrying about 35 per cent of the UK's non-fuel trade with mainland Europe.

But the port's year did not end there. Dover became Northern Europe's busiest cruise port for turnround calls handling 120 visits involving more than 150,000 passengers. Its marina enjoyed record numbers of visitors and its cargo terminal saw consolidation in the fresh fruit and vegetable markets.

Dover - a leading light in the European ports and shipping industry.
