- (c) Article on IMPACT requested from Julian Owen for No. 15.

11. Planning sub-committee Report. (KW.)

- (a) Wye Conference. In the absence of Tony Guterbock the most interesting matter was concerning KCC roads in 1993. Full report in Newsletter 15.
- (b) Proposed petrol-service station. Contrary to some Press reports, we have probably not heard the last of it.
- (c) 24 Sep. Meeting at DDC, Planners, Eurotunnel, Environmentalists and Southern Water re location of new sewage-treatment plant. Southern Water named three options :
Great Hougham Farthingloe Village The Shakespeare Platform
All three have objections. The third is most preferred.
Full report in Newsletter 15 (LW.)
- (d) Development of the Co-op site. We commented on the design. The plan has been accepted.
- (e) Reply from the M.P. to our letter re condition of roads and current A 20 works. Some assurances given. (JG.)
- (f) Whitfield - Eastry by-pass. As reported in the Press, DDC would prefer to improve the Sandwich road, rather than the Deal road.
- (g) Rolls memorial. Impasse between DDC and DHB. " Dover Society to finance the move if finance is the difficulty? " (BA)
No. Estimated cost £1000. JG will discuss with DHB.
